

## **RICHMOND EQUIPMENT'S SAFETY PRECAUTIONS FOR RENTAL VEHICLES**

*Safety is an attitude. Your common sense and good judgment are your best defenses against accidents and injury in everything you do. Your safety and the safety of others depend on you and your common sense. Use good judgment in the operation of this or any other motor vehicle.*

ONLY AN AUTHORIZED LICENSED DRIVER OVER 18 YEARS OLD CAN OPERATE VEHICLES OWNED-LEASED BY RICHMOND EQUIPMENT.

READ THE OWNER'S/OPERATOR'S MANUAL AND ALL SAFETY INSTRUCTION BEFORE OPERATION BY SCANNING THE QR CODE TO THE RIGHT. 

**\*\*Click the link to open manual\*\***

DO NOT OPERATE THE VEHICLE WHILE UNDER THE INFLUENCE OF ALCOHOL OR DRUGS; THEIR EFFECT ON VISION AND JUDGEMENT MAKES OPERATING ANY VEHICLE DANGEROUS.

**DO NOT OPERATE ON PUBLIC STREETS, ROADS, OR HIGHWAYS. DO NOT OPERATE A VEHICLE INSIDE A BUILDING, EVER. EXHAUST GAS IS POISONOUS AND COULD RESULT IN CARBON MONOXIDE POISONING.**

**KEEP YOUR ENTIRE BODY INSIDE THE VEHICLE, REMAIN SEATED, AND HOLD ON WHEN IN MOTION!**

*USE EXTRA CARE WHEN DRIVING IN CONGESTED AREAS OR WHEN BACKING UP. ALWAYS BACK UP SLOWLY AND WATCH CAREFULLY AROUND YOU. DO NOT MAKE ANY MODIFICATIONS OR ADDITIONS TO THE CART WHICH AFFECT THE CAPACITY OR SAFE OPERATION OF THE CART NOT IN ACCORDANCE WITH THE OWNER'S/OPERATOR'S MANUAL.*

HAZARD PREVENTION- BE MINDFUL OF ROAD HAZARDS, CONDITIONS, AND ANY DANGEROUS SITUATIONS THAT MAY INCLUDE THE FOLLOWING: STEEP GRADES, SHARP TURNS, BLIND CORNERS, APPROACHING A BRIDGE, WET AREAS (GRASS OR ROADS), LOOSE TERRAIN, AND PEDESTRIAN AREAS!

**DISTRACTED DRIVING IS DANGEROUS DRIVING. PLEASE BE AWARE OF YOUR SURROUNDINGS!**

**NO TEXTING OR USING A CELL PHONE WHILE OPERATING THE VEHICLE!**

- **Never exceed the weight limits of each specific cart(posted on each vehicle).**
- **Cargo should be as far forward in the bed as possible, distributed evenly from side to side.**
- **Drive slower than you usually would: you have precious cargo!**
- **Allow more braking distance- do not brake abruptly.**
- **Avoid making sharp turns to avoid tipping or rolling the vehicle.**
- **Never drive past your limit of visibility- if you cannot see what is on the other side of something, slow down until you can get a clear view.**
- **If you leave the cart, take the keys with you and engage the parking brake to avoid any unauthorized use and/or accidents and damage. Leaving keys in the ON position will drain the battery.**

**IF YOU HAVE ANY QUESTIONS, PLEASE DO NOT HESITATE TO CALL THE OFFICE AT 281-341-7755 OR TEXT 281-404-1255. WE WILL BE HAPPY TO ASSIST.**
